Peer Review Task Sheet – Development and Organization of Ideas

1. Is there a clear connection between the ideas or arguments?
If so, where exactly in the paper is that connection made?
If not, where might that connection be made to enhance the overall effectiveness of this paper?

2. Does the writer elaborate his / her ideas comprehensively and convincingly with adequate details?

3. Do the ideas or arguments need more specific and/or concrete details?
If so, where would you suggest the writer to add more relevant details and what would you like to suggest him / her to add?

4. What do you suggest about re-ordering or strengthening the arguments put forward in the paper?
